Dear Sir:

In reply to the Decision Dismissing Applicant's Petition dated December 9, 2002 (hereinafter "the Decision"), Applicant respectfully requests reconsideration of the Decision.

Dismissal of Applicant's Petition was based on two deficiencies:

1. The declaration submitted did not include the citizenship of any of the joint inventors.

Applicant submits herewith a corrected declaration and power of attorney to satisfy the required missing parts filing. The declaration reflects the citizen of the signing inventor.

2. The record did not reflect submission by Petitioner of corrected drawings as required by the Notice File Missing Parts of Application.

Applicant submits herewith corrected drawings meeting the requirements 37 CFR 1.84. In particular, the margins of the drawings have been brought into compliance with the requirements of that section.

A copy of the Decision Letter is also attached.

In view of this supplemental submission, grant of the Petition is respectfully requested.

Respectfully submitted,
